STEP BY STEP PROCEDURE FOR COMPANY REGISTRATION

Choose a Business Structure:

Decide whether you want to register as a sole proprietorship, partnership, limited liability company (LLC), corporation, etc. The choice depends on factors like liability protection, taxation, and ownership structure.

1

Choose a Business Name:

We will guide you in choosing your business name which is unique and not already in use by another registered business in your jurisdiction. We will check with your local business registrar to ensure the name's availability.

2

File Necessary Paperwork:

We will complete all the required forms to register your business entity with the appropriate government agency. This could be a state/provincial government office or a national business registry, depending on your location where you want to register your .

3

Submit Documentation:

Registering a company requires various documents, such as articles of incorporation (for corporations), articles of organization (for LLCs), partnership agreements (for partnerships), etc. We will prepare these documents and submit to the relative authorities on your behalf.

4

Pay Fees:

We will quote you for the service which you can pay by appropriate channel. The amount varies depending on your location, type of business structure and services you choose.

5

Obtain Necessary Permits and Licenses:

Depending on your industry and location, you may need to obtain specific permits or licenses to operate legally. We can either support you or obtain them for you.

6

Register for Taxes:

You'll likely need to register for various taxes, such as income tax, sales tax, payroll tax, etc. We have experts which will register and file then on your behalf.

7

Open a Business Bank Account:

Once your business is registered, it is recommended that you open a separate bank account for business transactions. This helps keep your personal and business finances separate. We have a panel of known banks in which you can open your bank account.

8

Comply with Ongoing Requirements:

After registering your business, you'll need to comply with ongoing requirements, such as filing annual reports, paying taxes, maintaining corporate records. Our expert accountants will guide you through out our contract.
